# Making travel available to more

RTD GO!, a one-year pilot project, will allow RTD to extend service hours, provide more mobility options, and add public transit connectivity to residents living in towns such as Escalon, Linden, and Lockeford. This service allows RTD to test an innovative service delivery model in sections of the county where traditional bus service is typically not practical.

As of July 3, 2017, passengers can **save 50 percent (up to \$5.00 off per ride)** when riding Uber. RTD GO! is available in San Joaquin County, Monday through Friday, from 6:00 a.m. until 10:00 p.m. Passengers simply use the Uber app on their smartphone; the subsidy will be applied automatically. In order to qualify for the subsidy, the trip characteristic has to meet one of the following criteria:

- Trips originate or end outside the normal RTD service area.
- Trips originate or end at of one of these transit centers:
